

Conducting a Voter Registration Drive in Vermont

Voter Registration Deadline

Voter registration forms may be submitted to a town clerk any day other than the day of an Election. Note: voters may also submit a voter registration form on Election Day at their polling place.

A specific turnaround time applies to voter registration drives submitting applications they collect.

See below.

Getting Started

Training Requirement: Vermont does not require training for registration drives.

Notification and Registration Requirements: Vermont does not have notification requirements for registration drives.

Compensation Restrictions: Do not pay registration drive participants based on how many registrations they collect.

Obtaining Applications

State Form: Download and print the form from the [Secretary of State's website](#). Call 1-800-439-VOTE or email voterreg@sec.state.vt.us or go to <https://sos.vermont.gov/elections/voters/registration/> to order voter registration forms, or contact your local town clerk.

Federal Form: The [federal mail-in voter registration application](#) may be used in voter registration drives.

Photocopying Blank Forms: Blank applications may be photocopied and used in voter registration drives.

Handling Applications

Incomplete Applications: Do not fill in any missing information on a registration form unless you have permission from the applicant.

Photocopying Completed Applications: As a best practice, a voter's full or partial Social Security number and/or driver's license number should not be retained.

Submitting Completed Applications: Completed voter registration forms must be submitted to the appropriate town clerk within seven days of acceptance or before the day of the next election, whichever is sooner.
