Conducting a Voter Registration Drive in Oklahoma

Voter Registration Deadline
Postmarked 25 days before Election Day

**Getting Started**

**State Guide:** The Secretary of State’s tips on how to conduct a voter registration drive are located here.

**Training Requirement:** Oklahoma does not require training for registration drives.

**Notification and Registration Requirements:**
Oklahoma does not have notification requirements for registration drives.

**Compensation Restrictions:** Do not pay registration drive participants based on how many registrations they collect. Do not offer an applicant any incentive of monetary value to register to vote.

**Handling Applications**

**Application Assistance:** Drive participants may assist a registrant in completing their application if they request it, and must provide their name and address in the appropriate slot on the form.

**Incomplete Applications:** The State Election Board states that voter registration organizations should not fill in missing information. The Board will contact voters directly to obtain missing information from any registration forms.

**Photocopying Completed Applications:** There is no law or rule prohibiting photocopying or retaining information from completed registration applications. As a best practice, a voter’s full or partial Social Security number and/or driver’s license number should not be retained.

**Submitting Completed Applications:** All registration applications collected as part of a voter registration drive (whether the federal form or the state form is used) must be received by the SEB, any county election board, or agency designated to accept applications, by the voter registration deadline.
